参考答案及解析

一、选择题答案

1.

答案：B

解析：

Meticulous means paying great attention to detail, which is most closely related to 'detailed'.

2.

答案：B

解析：

The correct past participle form of 'drink' is 'drunk', as in 'He had drunk all the water'.

3.

答案：B

解析：

The prefix 'un-' typically means 'not' or 'opposite of', so 'unhappy' means not happy.

4.

答案：B

解析：

The correct use of the subjunctive mood in this context is 'If I were you, I would go.' The subjunctive mood is used to express wishes, suggestions, and hypothetical situations.

5.

答案：C

解析：

A semicolon is used to connect two independent clauses that are closely related. The correct usage is 'I have a lot of work; I will try to finish it today.'

6.

答案：B

解析：

A complex sentence contains an independent clause and at least one dependent clause. 'After she finished her homework, she went to bed.' is a complex sentence because 'After she finished her homework' is a dependent clause and 'she went to bed' is an independent clause.

7.

答案: B

解析:

The comparative form of 'good' is 'better'. For example, 'This book is better than that one.'

8.

答案: B

解析:

The correct plural form of 'cactus' is 'cacti'. This is because 'cactus' comes from Latin and follows Latin pluralization rules.

9.

答案: A

解析:

A colon is used to introduce a list. The correct usage is 'I have three favorite colors: red, blue, and green.'

10.

答案: B

解析:

The passive voice is formed when the subject of the sentence is acted upon. In 'The papers were graded by the teacher,' the papers (subject) are being acted upon (graded) by the teacher (agent).

二、填空题答案

1.

答案: **rotation**

解析:

The correct answer is 'rotation'. The Earth's rotation around the Sun, combined with its tilt, causes the changing of the seasons.

2.

答案: **reading**

解析:

The correct answer is 'reading'. Regular reading helps improve vocabulary, grammar, and overall language skills.

3.

答案: **theme**

解析:

The correct answer is 'theme'. The theme is the underlying message or the big idea of the story.

4.

答案: **predicate**

解析:

The correct answer is 'predicate'. The predicate tells what the subject does or is like in the sentence.

5.

答案: **phrase**

解析:

The correct answer is 'phrase'. A phrase is a group of words that functions as a single unit within a sentence but does not contain both a subject and a predicate.

三、解答题答案

1.

答案: **In the active voice, the subject of the sentence performs the action.**

Example: 'The dog chased the cat.' In the passive voice, the subject of the sentence is acted upon. Example: 'The cat was chased by the dog.'

解析:

The active voice is more direct and clear, while the passive voice can be useful for emphasizing the recipient of the action or when the doer of the action is unknown or unimportant.

2.

答案: **The past perfect tense is formed using the auxiliary verb 'had' followed by the past participle of the main verb. It is used to describe an action that was completed before another action in the past. Example: 'By the time we arrived, the movie had already started.'**

解析:

The past perfect tense is used to show that one action happened before another action in the past. It is often used with time expressions like 'by the time' or 'before'.

3.

答案: **Reading is essential for improving language skills for several reasons.**

First, it enhances vocabulary by exposing readers to a wide range of words and their contexts. Second, reading improves comprehension and critical thinking skills as readers must interpret and analyze the text. Third, it provides examples of proper grammar and sentence structure, helping readers to internalize these patterns. Overall, regular reading is a powerful tool for developing language proficiency.

解析：

This paragraph outlines the key benefits of reading, including vocabulary expansion, improved comprehension, and better understanding of grammar and sentence structure. These points highlight the importance of reading in language learning.
